

Dear Puppy Buyer,

I highly recommend NuVet Plus.

More than a million dogs and cats are using NuVet to **protect against most ailments** (from back yard pesticides, pet food allergies and hormones, toxic formaldehyde in furniture and carpeting, ailments transmitted from dog parks and the vet's office, etc), while maintaining a **beautiful skin and coat**.

This is not just a vitamin. It's an **immune system builder** with a precise balance of vitamins, minerals, omega fatty acids, amino acids and high-potency antioxidants. That's why it works so well through all three stages of a dog's life.

- ✓ **For younger dogs** (under 2 years old), it strengthens their immune system, while building and strengthening the cardiovascular, skeletal and nerve systems.
- ✓ **For dogs in their prime** (age 2-8), it improves the luster of their skin and coat while protecting against allergies, skin and coat problems, staining from tears, digestive problems, etc.
- ✓ **For older dogs** (over 8 years old), it helps reduce and eliminate arthritis, tumors, premature aging, cataracts, heart conditions, diabetes and many types of cancer, while extending the life and improving the vitality of many dogs.

We highly recommend NuVet Plus to keep your pet on the path to perfect health! It's not available in stores, and is only available to the general public with an order code from an authorized pet professional.

For your convenience, you may order directly from the manufacturer (at up to 50% off what most veterinarians charge) by **calling 800-474-7044** and using **Order Code: 40439**, or ordering **online** at www.nuvet.com/40439 . By using autoship you can save an additional 15%.

To the long life and health of your puppy!
