## **BUYER/SELLER CONTRACT**

Glorious Kennel doesn't write long and difficult to understand contracts as some other breeders do. We try to keep it simple, but we stand behind every line and we require from our buyers to fulfill each and every paragraph that is written below.

1. Registration papers will be sent to our buyers from our NSBR registration office.
2. If at any time, you should decide for any reason that you can not keep this puppy any longer you must first contact the seller (breeder of this pup) before any other decisions. The seller will always have the right to take or buy back this puppy.
3. The buyer agrees to take full responsibility for said dogs' care and pay all expenses related to his care, keep all medical records for inspection and provide all shots and have him wormed regularly.
4. At the age of 24 months of this dog, the buyer will provide OFA hip examination.

This hip X-ray result is very important for our Shiloh breed. We need to know about every puppy's hips to be able to control our future breeding. That is the only way to guarantee and to eliminate any dysplasia in our Shiloh breeding.

5. Having hip certificate with adult results is the only way I will stand behind the puppy's hips and the only way it can be proven that there is any problem.
6. **Show and breeding puppy warranty:** good structure according to breed standard, ears, heart, hips, and general health to be able to obtain permanent breeding papers.
7. **Pet-companion puppy warranty:** free of "crippling" hip dysplasia.
8. For money refund the hip X-ray and the certificate from veterinarian is required.
9. We require deposit \$ 100.00 (non refundable after puppies are born).

Please send your check or money order **payable to: Ben Landfeld** (not to Glorious Kennel) with your signed last page (only last page) of this contract.
